Title:

Technical Regulation on Health Protection from Tobacco Products

Description:

This draft law contains regulations regarding the specifications of tobacco definitions; obligations of producers and/or importers of tobacco products; banning the sale of the packs with a reduced number of cigarettes; prohibition of indirect promotion; banning the use of electronic cigarettes and shisha indoors; the penalties in case of non-correct implementation of law.

Objective:

This draft law aims to protect overall health from tobacco products and to improve the process of monitoring in the Republic of Albania regarding this issue by strengthening the monitoring role of the Inspectorate responsible for Health, towards the implementation of the respective law.
