

Notification

Title:

Draft Decision on “Approval of Rules "For Animal Food Labeling; food products which contain Genetically Modified Organisms”

Description:

This Draft Decision lays down rules for the labeling of: i. animal food used for feeding; ii. GMOs used as animal food; iii. animal food containing or consisting of GMOs; iv. animal food produced from GMOs.

Objective:

The aim of this decision is to define the requirements of the labeling for animal food, in order to ensure a high level of food safety for the animals, the protection of public health, providing appropriate information to users and consumers and for an effective functioning of the internal market.
